

TBoT OFFICER / REPRESENTATIVE

NOMINATION FORM

We have several positions which have been vacated and we are behind in our elections, but we have our Members, many Life Members as well as expired Members. If you know your membership has expired, we will gladly accept your voluntary renewal. You can send your renewal to Sandy Stein at the address listed below.

We have several positions where a member or current officer is willing and able to continue, see underlined names, and/or you can write in your nomination. Peanut is doubling up, according to bylaws we should have one individual per office/representative so we really need someone to step up into one of the two positions he is currently holding. The due date for nominations is February 28, 2023. TBoT really, Really, R E A L L Y needs "Young" blood to step up. If not to volunteer as an officer or a representative, to help with the shoots, set up, tear down and just, good old fashion hard work. It is fun and rewarding. Help us keep the "Tradition" going!
